Seniors Last Year

Momi Olivera and Mike Crowe reign as our homecoming king and queen.

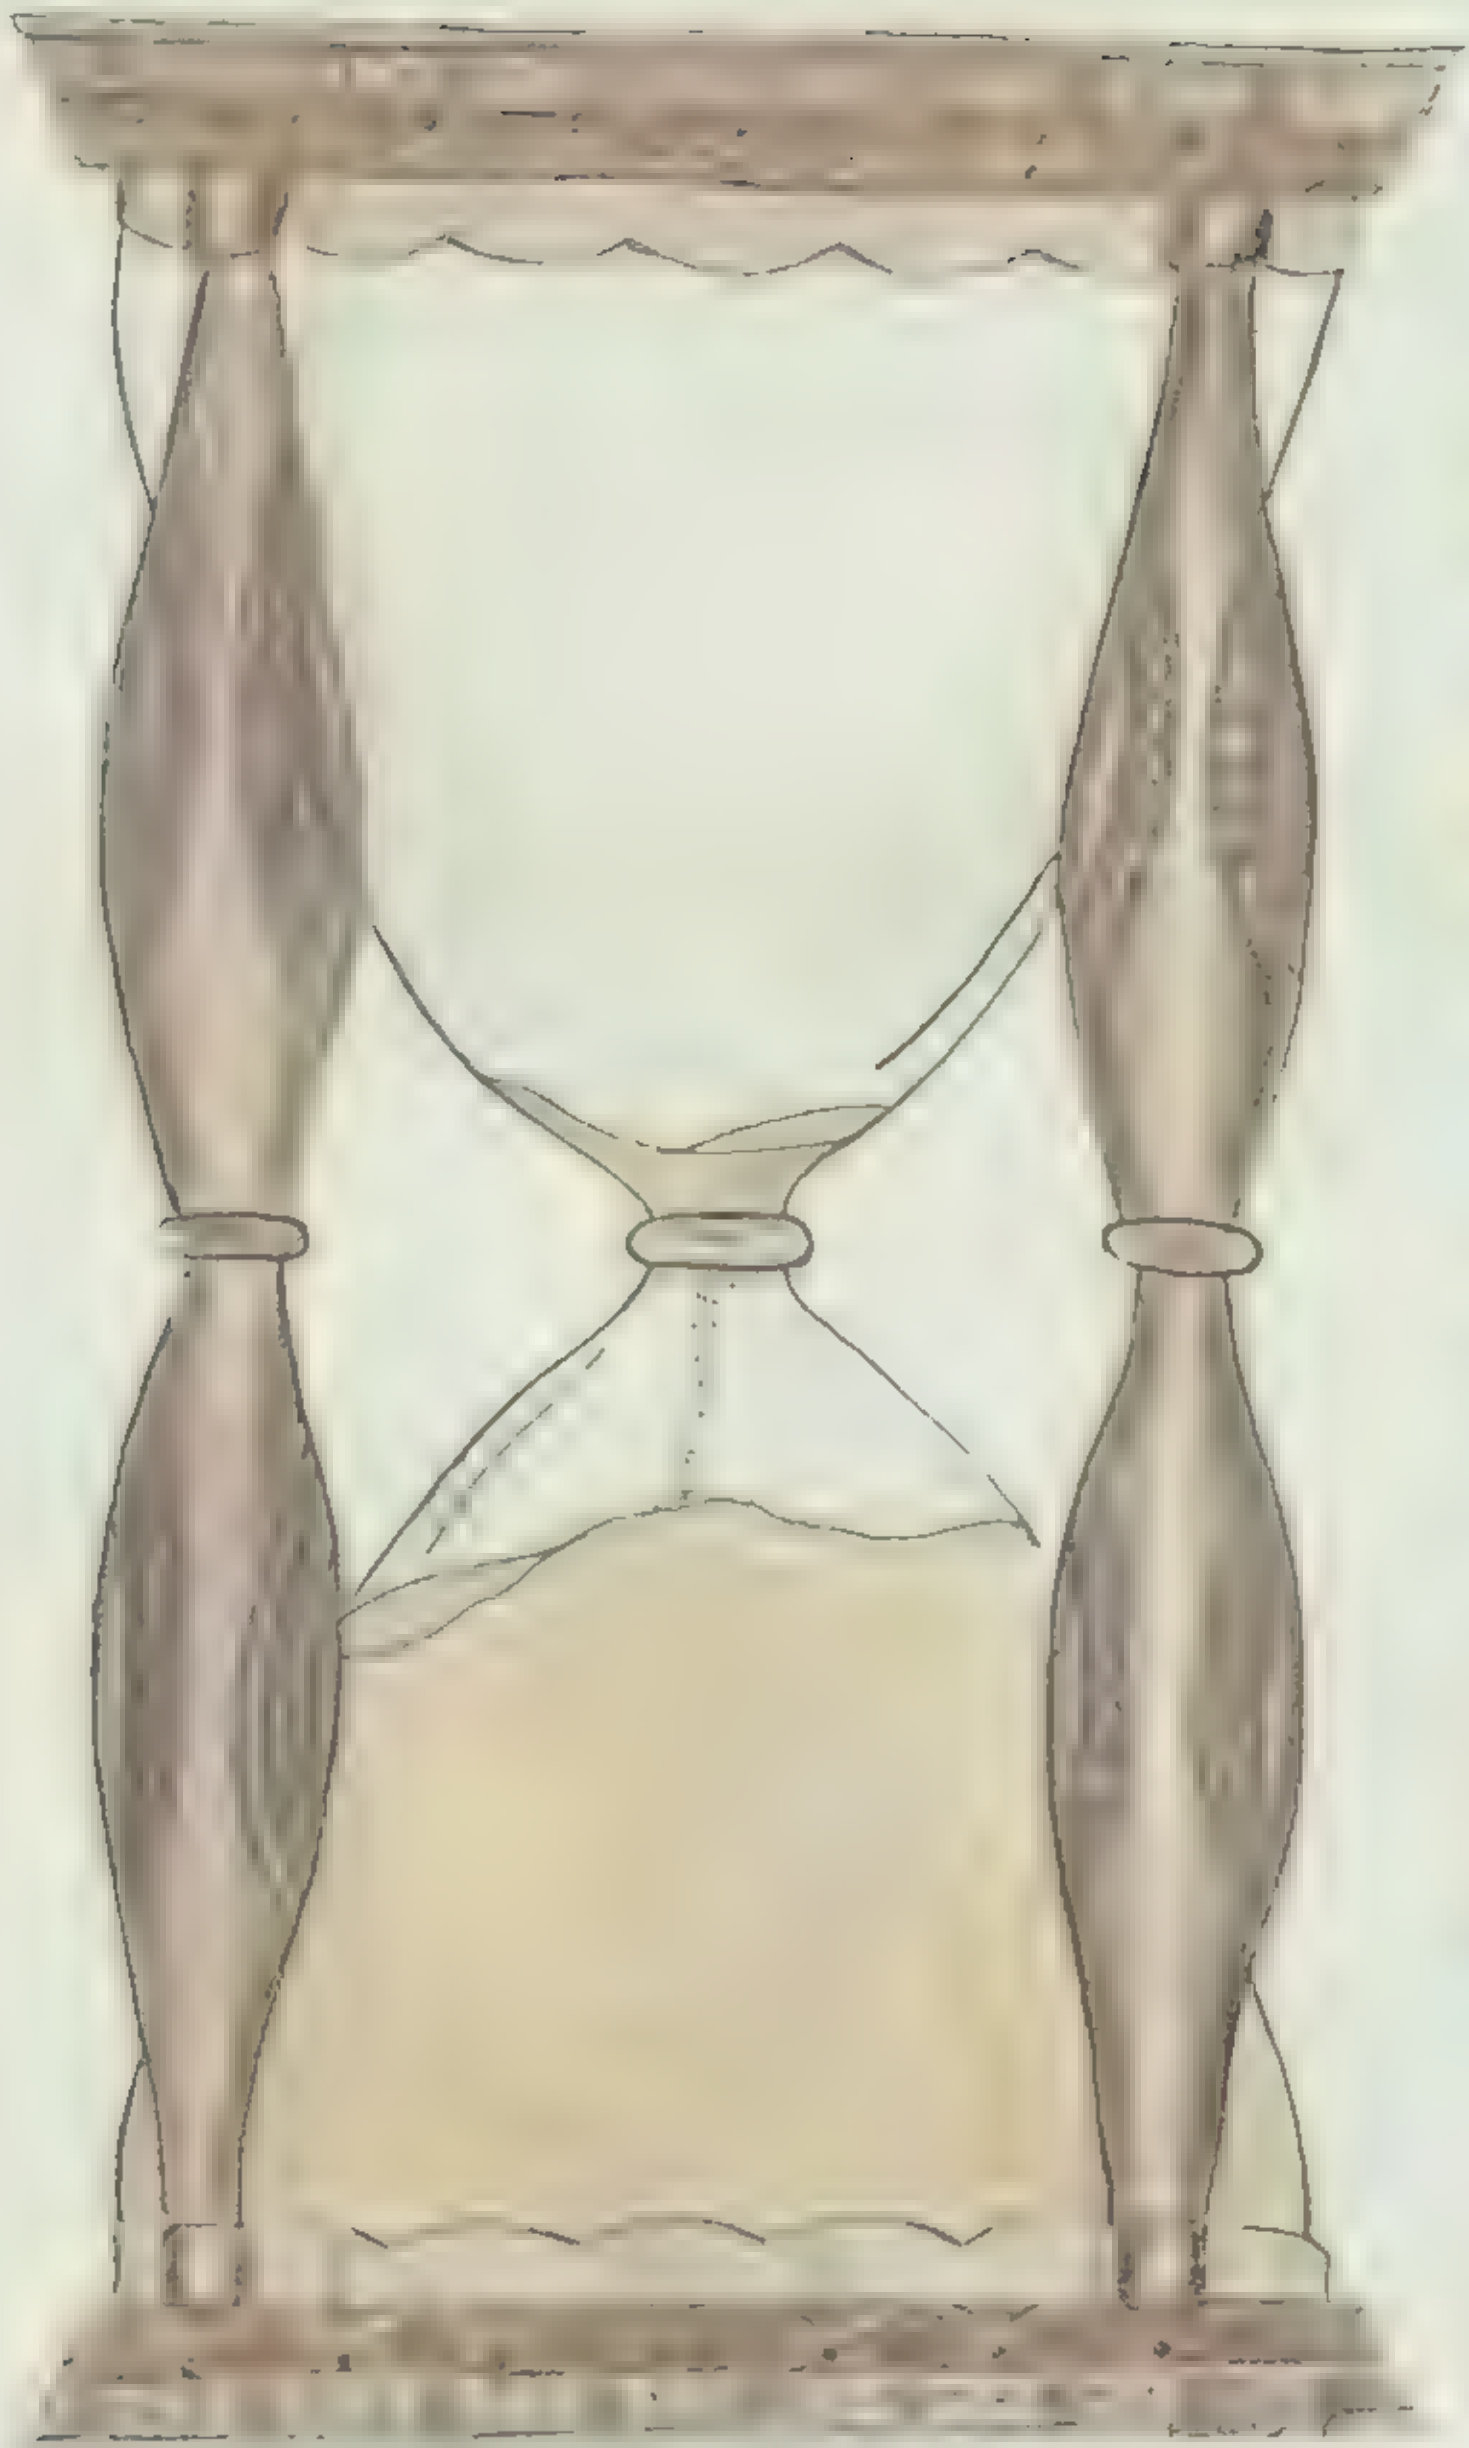

"I can remember sitting on the Rookie side of the science-quad and looking over to the seniors and wondering at how long it was going to take to get at that side. But now it all seems to have gone by so fast that I hardly notice that we are almost out of school."

The Night Our Dreams Came True

Imagine a beautiful, elegant April night under the stars at the Monarchy Ballroom in the Hotel Hyatt Regency. The night is filled with laughter, romance and fine dining by candle light. For most, this could only be a dream, but for the class of 1986, it was a REALITY.

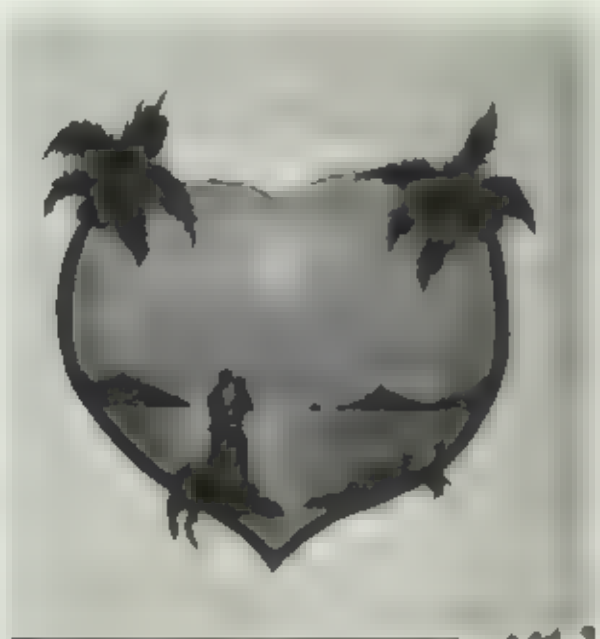

Many of us dream of princes and princesses and they were included in the class of 1986. For Ryan Sakugawa and Denise Ledward, a different kind of dream came true, the dream of being king and queen.

The king and queen were chosen in a special way. Everyone knew who the members were because they were announced 2 months before the Prom, so they could practice their dance. The king and queen, on the other hand, were not able to have their traditional Waltz, so they did a solo of the Court dance. They were picked 2 days prior to the prom. No one knew who the king and queen were except for the prom coordinators-Mr. Stephen Nemeth and Mrs. Martha Soderholm-until it was announced the night of the prom. Everyone was held in suspense.

The Prom Court entertained the audience with their traditional court dance which was choreographed by Mrs. Judy Yamane and Brother Frank Gomes. It was beautiful! Thanks to all who made this dream a reality.

Above: Court members from left to right: Queen Denise Ledward, Mark Vaught, Lesley Molina, Ralph Kahalehau, Alice-Jean Oliveira, Derrick Chai, Kathy Kaauamo, King Ryan Sakugawa, Wendy Abbott, Clinton Ambrose, Jennifer Daniels, Raymond Pahukoa, Helen Ferreira, and John Henry Ah-Sau.

Top Left, The Royal Couple: Queen Denise Kiana Ledward and King Ryan Paul Sakugawa, happily smile while executing their waltz. Above: Wilfred Cambra and Francine DaGama present themselves during their Promenade. Bottom Left: The background of the night truly illustrated the magic that was held that evening.

The Dynamic Class of 1988 was big and bold with a lot of unity. They contributed their energy and cooperation through homecoming and continued throughout the year.

The Sophomores chose as their homecoming theme "Jungle Book". They showed their "wild and savage" spirit at the pep rallies which also caused them to win the tug-o-war competition. The Sophomore Class has continually shown unity in their own class, and also toward the rest of the school. The Sophomores are proving that they are a class to be reckoned with.

Fantastic Freshmen

The awesome Class of '89 chose as their 1985 Homecoming theme "Freshmen Salute Disney Movies." The class displayed their true strength in unity by showing their spirit during the pep rallies and dress up days. These students have grown from the boys and girls of Jr High to the young men and women of our Sr. High. This class indeed shows great potential as being fine leaders in the future.

"Strength in Unity " This is the motto of St. Anthony High School. Following in the footsteps of their school, the football team practices what is preached. "Big things come in small packages," though they are small in size, their looks can be deceiving.

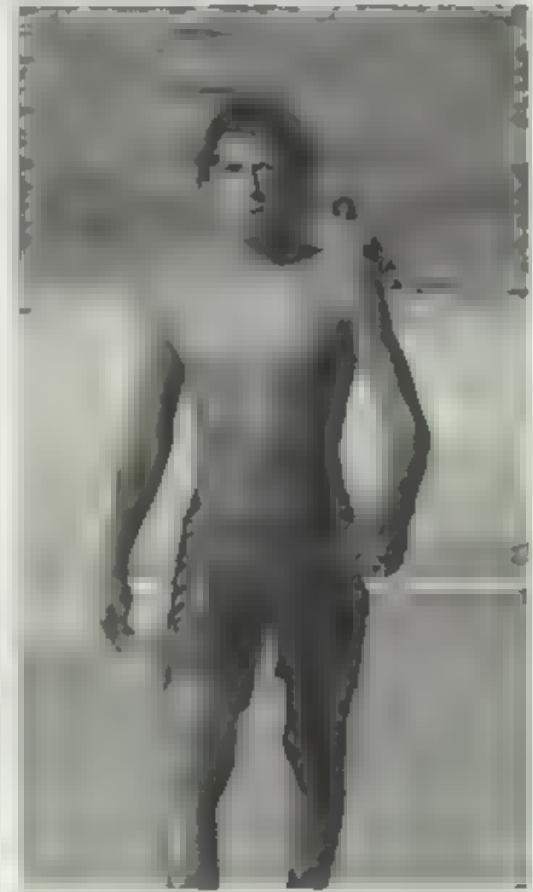

The strength that comes from within also shows in the student body and family of St. Anthony. That strength is spirit which encourages the motivation of the team. Together, they are all winners in spirit.

It is this attitude of unity that contributes toward the team's spirit that will get them somewhere. This thought brings about a cheer that can be heard at many football games, and that is, "Unify, let's really try, altogether we can." Tiana Flores

Girls Volleyball

Our 1985 girls volleyball team were true "don't give uppers". That's a good sign there were only 3 graduating Seniors. All the rest were Rookies. So they still are a pretty young team. They say that you learn the most from your mistakes. "We've made alot of mistakes so we learned from them", they said.

Even though the girls went through winless, we are still proud of them. Thanks goes to Head-Coach Maui Phillips, Asst. Coach Curt Hamagawa, and Manager Jackie Fluentes.

SAS Surfers

This year was a good year to break in a new club. For the first year ever, St. Anthony has had a Surf team. Totally awesome! That goes for these surf dudes! During the Island Snow Surf Meet at Kahului Harbor in December, they just "shred" on those tubular waves! These guys deserve a lot of credit. They take surfing seriously and also have a lot of fun because its a hobby they try to enjoy every weekend at Ho'okipa. Aloha to Seniors Ben Bland, Akihito Kashi, Mike Crowe, and Glen Theilk and Good Luck next year to the underclassmen!

Leaders Of Today And Tomorrow

The Senior High Student Council

The Senior High Student Council has worked especially hard this year planning and organizing student activities they feel would add "space" to school life as well as unify the student body. Their leadership qualities have proven their uniqueness as potential leaders of today and of tomorrow.

Junior High Student Council

The Junior High Student Council has worked together with the student body and the Senior High Council in planning activities for the school. The experience of working with the Senior High Council will be beneficial to these young leaders. Most of their work this year has benefited the Junior High.

S.A.S. Band

Though the SAS Band is small, the sound they make is great. They believe that practice makes perfect, which is what they strive for. They could be heard at all the football games and seen marching in parades under the direction of new band teacher, Bill Payne. Their music has made us proud to have them as a part of our St. Anthony Family.

Nine special Seniors have achieved a special honor. They have been in attendance at St. Anthony since Kindergarten. Over the past thirteen years, they have seen many changes in our St. Anthony family as well as our community. They have seen many of their fellow classmates come and go, but these nine have remained a part of our St. Anthony family the longest. Good luck to these special members of the Class of 1986

... A Great Year ...

As the sands of time wash away from the shore and back to the sea, so do the memories of the year gone by. They drift away, but always will be remembered by all. Memories, reminders of yesterday, hopes of today and dreams of tomorrow.

Each grain of sand is different. So will each memory be. Laughter, hope, sadness, excitement, disappointment, happiness all await to be reunited at sometime by someone in the future. To be talked about, shared, and cherished. They cannot be relived again in their exact pattern, but may be felt deeply.

In the future, these memories will be reunited. It may not be on the same shore, but they will be gathered together again and the time spent well, until it is time again to move on, on for us in life. As do the sands of time.
